## American Soldier

The hot sun beating down on the young and old faces  
 Sleeping when you can...awake for the sound of death  
 Longing for winters at home...the crisp clear days...the  
 white patterns falling so slowing...the wind biting into  
 your skin. Fall...changing the leaves to beautiful colors of  
 autumn. The summers of kids playing on the beach, the  
 sound of waves flowing ever so often into your soul.  
 Remembering parents and loved ones longing for the day  
 when you return to them in all your glory. But for now  
 we wait for that day.

The weight of the armor pressing down on the body to be  
 free and once again free to live and to love.

To once again see the stars assemble in the sky as the  
 bright sun melts into the land...freedom awaiting for all.  
 Imagine!

## Riot

Charged walls, red streams running thru the halls  
 Violent eruption of souls, so much anger, so much rage  
 Spiritless bodies strewn everywhere.

The concrete walls hide the truth

The smoke rises, the cries reach for

Then the silence of the bagpipes blowing

The beautiful Amazing Grace.

Played to remember the fallen heroes.

### College Board Reaffirms Campus Site Selection Process

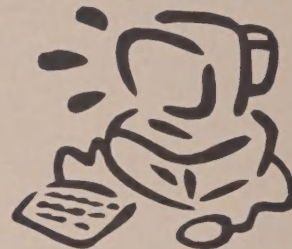

By Misty Moore

At its October 28 meeting, the Clatsop Community College Board reviewed and discussed a Campus Site Selection Progress Report submitted by President Greg Hamann. The Board unanimously reaffirmed its commitment to making a campus site decision that best serves the whole county and enhances the College's ability to serve the community of Clatsop County for the next 50 years and beyond. The Board also reaffirmed the process being used to identify and investigate potential campus sites and extended the date for Board approval of a campus site from December 31, 2004, to a later date, possibly in summer 2005. Consistent with its commitment to making a campus site decision that will best serve the future educational needs of Clatsop County, the Board decided to reaffirm its established site selection criteria with modifications to increase parking space requirements, to place a stronger emphasis on increased educational opportunities and to place a stronger emphasis on space for future expansion.

Marilyn Lane, College Board President, speaking about the Board's decision, stated: "Where we locate the community college is far less important than how we provide educational and cultural services to our community. We continue to develop partnerships that will help Clatsop Community College meet the needs of our students. As those partnerships strengthen, I am confident we will gain community support for a campus that meets the future needs of Clatsop County and beyond."

## It's United Way Campaign Time!

United Way contributions help support several organizations in our community. Contributions strengthen services to people in need. In actuality, 1 in 3 people benefit from a United Way funded service. You can donate to one agency or to all agencies. Mostly this is a way to make a real difference in the lives of our neighbors, friends, and our own families. United Way supports CCC's Lives in Transition program, and many other organizations. If you are interested in contributing, please contact Margaret Frimoth in the LIT office. Thanks!

## Car Pool & Work-Study Bulletin Boards

ASBG relocated the lockers next to the ASBG Office, and moved the vending machine, to expose an old bulletin board. We are currently in the process of having it refurbished, however, it does provide a specific location for Car Pool & Work-Study postings.

If you are interested in car-pooling, post your name and number, dates and times you commute, and where you live. Even if daily car-pooling is not an option, it may be helpful to students in remote locations to have contact information for other students in their area in case of emergency.

Work-study postings will also be kept updated, and remember to check in Towler on the Career Services Board for outside employment opportunities.

## UNIVERSITY

### A Penny For Your Thoughts...

The Penny University continues at CCC!  
Open Fall Term 3:30-4:30pm Towler 106

Mondays	Open for Study & Intellectual Gatherings*
Tuesdays	Topical Discussion on reading
Wednesday	<b><u>FACULTY/STAFF DISCUSSION 12-1pm</u></b>

In the early 1700's there were over 2,000 coffee houses in London alone. One could pay a penny on entry and then indulge in a cup of coffee or tea and the talk of the day. The coffee/tea houses were places where ideas were shared and current events discussed. One did not ask where a man lived, but which coffee house he frequented. The conversations that took place in coffee/tea houses had a great influence on the politics and literature and on the social and commercial life of those times. Over the years these coffee/tea houses have been coined Penny Universities.

**What can you expect?** There is a short reading assigned for each meeting of the Penny University. You can find this reading outside Towler 106 or on reserve at the library. Read the article and be ready to share your thoughts or listen to others share theirs! This is a unique learning community that all are encouraged to join. The coffee is always hot and invigorating, just like the discussions! Come and stay a spell at the Penny University this fall!

\*Students may discuss topics with each other or drink coffee & study.
